

GREEN TEAM JOB DESCRIPTION

EBC is committed to consider the environmental impact in all decisions and to taking an environmentally responsible approach in all its activities.

The Green Team are responsible for the overall cleanliness and waste management of our bars across a site. This role is an active role requiring you to move around all bars and supporting the bar management teams in recycling responsibly as well as keeping the back of house areas clean and tidy.

You may be expected to camp at certain events and provide your own camping equipment.

Roles & responsibilities:

- Create and build a rapport with the Bar Managers of each bar
- Ensure signage is clear and up along the bars and in rest areas
- Ensure all bars have enough recycling and landfill waste bags
- Ensure the Bar Managers are aware of where their waste bags are stored
- Checking waste volume at each bar and assessing whether additional collections are needed
- Re-iterating to servers how to separate waste correctly
- Support Station Managers in moving full bags of waste to the correct collection points and putting out fresh bags
- Check & support in cleaning of rest area
- Support closing bars each evening to ensure waste is separated correctly

Skills required:

- Health & Safety including Manual Handling
- Food Safety Level 2 Certificate
- Leadership skills
- People management
- Organizational and time keeping skills
- Event knowledge
- Bar or event experience
